

Steel Snowplow Blade System

PATRIOT Plow Blade U.S.
Patent Number: 9,562,342

Hardcore Blade with Superior Cutting Power

Features & Benefits

- **Increased Blade Life:** Wear bars filled with Winter® Carbide Matrix™ Weld paired with quality hardened steel result in extended wear life.
- **Aggressive Cutting Performance:** Serrated design self-sharpen, cuts through packed snow and decreases your salt and chemical treatment.
- **Promotes Even Blade Wear:** One Winter® PlowGuard to defend against uneven and premature wear, where you need it most.
- **Safe Installation:** Sectional blades replace dangerous full-length cutting edges.

Lasts 4x longer
than a standard
3/4" x 6" steel
blade
