

Carbide Insert Snowplow Blade System

RZ XL Patent Number:
7,874,085

RAZOR® XL

DOT-Rated System with Superior Cutting and Long Blade Life

29% MORE CARBIDE OVER STANDARD TRAPEZOID DESIGN

Features & Benefits

- **Increased Blade Life:** Bullnose HammerHead® Carbide insert and rear wear bars filled with Winter® Carbide Matrix™ Weld promote long blade life.
- **High Wear Protection:** Two Winter® PlowGuards of your choice to defend against uneven and premature wear, where you need it most.
- **Superior Cutting:** Aggressive blade cuts through packed snow and ice leaving your roads clear and minimizes your salt and chemical treatment.
- **Safe Installation:** Blade sections replace dangerous full-length cutting edges.
- **Multiple Attack Angles:** Bullnose HammerHead® Carbide insert allows for premium performance on any attack angle.
